

GRADY COUNTY BOARD OF COMMISSIONERS

MEETING MINUTES

May 7, 2024, Meeting

The Grady County Board of Commissioners met on May 7, 2024, at 9:00 am for a regular meeting. Commissioners Ray Prince, Keith Moyer, LaFaye Copeland, Phillip Drew, June Knight, County Administrator Buddy Johnson, Finance Director Holly Murkerson, County Clerk John White, County Attorney Gabe Ridley, Recreation Director Becky Bracewell, and Chief Richard Phillips were present.

Mr. Moyer asked Mr. Drew to open with prayer and the pledge to the flag.

Motion by Mr. Drew, second by Mrs. Knight to amend the agenda to add a presentation by Mr. Ridley and FA051-24. The motion was approved.

PUBLIC COMMENTS

Yancy Maxwell, 1404 Tired Creek Rd

Mr. Maxwell shared a letter he received from Jane Harrison concerning the dirt roads in Grady County. He also mentioned that someone had trenched in an intersection of Vereen Bell Road, and it had not been repaired.

Michael Cook, 184 Carr St

Mr. Cook stated there is a dangerous situation on Trinity Road. He stated the ditches are grown up and need to be dug. Thomas Road is still filled with dirt. He also stated people were worried about their mailboxes on Lower Hawthorne Trail with the paving. Mr. Moyer stated there were only two mailboxes that are brick that will have to be moved.

PRESENTATIONS

ISO Ratings – Chief Richard Phillips

Chief Phillips reviewed the ISO ratings with the commissioners. He stated we are currently at a 5/5X rating. He reviewed what makes up the ratings and stated he is working hard on the water shuttle process so hopefully we can get the ISO rating down to a solid 5.

Recreation Department – Becky Bracewell

Mrs. Bracewell presented the Batting Cage Project to the commissioners. She stated this will be paid with donations and she is ready to move forward with the project.

FA051-24 Motion by Mrs. Copeland, second by Mr. Prince to move forward with the Batting Cage Project and to allow Buildings and Grounds to do the electrical work for the batting cages. The motion was approved.

Mrs. Bracewell provided an update on the tournament held last weekend and stated it was a success.

Lawsuit Response – Gabe Ridley

Mr. Ridley gave an update on the litigation. There were questions that were raised in a lawsuit brought by Mrs. Betty Godwin concerning an Open Records Request. That request had to do with the Animal Control Department and Best Friends Dog Rescue. In July of 2022, Mrs. Godwin filed suit in Magistrate Court to recover part of the money she was charged for her open records request. Mr. Ridley reached out to Mrs. Godwin to try and settle the lawsuit and she refused. Mrs. Godwin then dismissed her original complaint and refiled it. She was then personally suing Mr. Johnson, Mr. Ridley and Mr. White. As the county attorney was now a part of the lawsuit, Mr. Raleigh Rollins was asked to defend the case. It was decided to let Mrs. Godwin have her day in court so she could present her case. A trial was held on the merits of the case, and she made her arguments to Judge Lamb who has no connection with Grady County. After hearing the case, Judge Lamb ruled in favor of the county. Mrs. Godwin had the opportunity to file an appeal to a different court and chose not to file the appeal. Mrs. Godwin also has three other lawsuits pending. One against Mr. Johnson for \$2.5 million, one against Mr. Drew for \$5 million, and one against Mr. Dorsey for \$3 million. All three arise from public comments about how the county is run. Mrs. Godwin made comments about county employees salivating like Pavlov's Dogs over the potential raises and Mr. Johnson addressed her comments. Mr. Ridley stated he felt like the county had a very good chance of winning all three lawsuits. Mr. Ridley does not feel you should pay someone for a frivolous lawsuit. Our insurance carrier agreed we should defend the lawsuit and agreed to hire Raleigh Rollins to defend the lawsuits. Mr. Rollins has filed a motion to dismiss each lawsuit and is requesting for attorney fees to be paid for all cases. Hopefully the county will recover some of the attorney fees that have been paid. The question has been asked why the county is paying the fees for

the lawsuits for the three individuals. Mr. Ridley stated that County Governments are targets for frivolous lawsuits and they must be defended. Mr. Moyer stated the county does budget for such lawsuits. Mr. Ridley did respond to a comment concerning the lawsuits on Cairo Swap and Shop, but the comment was removed.
