PRESENTATIONS

Mr. Johnson reviewed the preliminary plans for the Aquatic Center submitted by Steve Sykes. The Commissioners suggested moving the pavilion outside and the splashpad inside the fenced in area. The commissioners stated it would probably not include a pool heater system. It was asked if the Aquatic Center would be a Chlorine or Salt system and Mr. Johnson stated he would follow up with Mr. Sikes and let them know.

The board reviewed the plans for the Recreation Department Building and Pavilion. The board is hoping to be able to do the Aquatic Center and Recreation Building and Pavilion at the same time.

Mr. Dorsey presented plans for a renovation of the Learning Center to house EMS. Mr. Dorsey stated the building was built to state standards which will make the renovation much easier. Mr. Dorsey stated that the main building would be the five (5) docking bays for the ambulances. Mr. Dorsey stated there will be sleeping areas for men and women as well as a locker room for men and a locker room for women. There would be secure entrances for all areas of the building.

Mr. Johnson stated that he wanted to make it clear that the Help Agency can still operate while the renovation is taking place. He also stated that the county will be looking at building them a building to house the Help Agency operation.

Mr. Drew had to leave the workshop at 9:40 am.
