- Recreation – Full swing right now. Becky is looking at plans for a new community covered area and bathrooms for the park. More to come on this. It would be a huge asset to the recreation area and would also allow for rental use options for parties and other get togethers. Majority of costs will likely come from donations.
 - o Pickle Ball is wide open and making a huge impact in the community right now. Looking at the possibility of converting or creating a new pickle ball court in the future.

 - o Leak at courthouse in clerk's office is being addressed – Commercial Plumbing company will give a quote.
- County is doing fair with overall employee manpower however like everywhere else we have several openings and very few applicants to fill them. Directors are constantly recruiting where possible.
- Overall, Grady County is running effectively and efficiently and that is at the hand of the great and dedicated workforce we have here from the line levels to the Directors and Commissioners Staff. I am blessed to have these great folks to work with every day.
